EXPERIENCE

STORIES ARABIA FZ LLC | WEB DESIGNER AND DEVELOPER

April 2023 – Current | Work From Home

- During my internship, I designed and developed websites for the company's clients. By utilizing my web design skills and employing the latest techniques, I created visually appealing and functional websites tailored to each client's needs.
- I usually design websites on wordpress or write code in react according to requirements and host it according to clients requirements.

ENCODE CLUB - PDEU | WEB DEVELOPER

Sep 2022 – Current | PDEU, Gandhinagar

- As a core committee member and web developer, I have completed several projects for PDEU organization and Encode club, making significant contributions to their online presence and success.
- My focus is on creating visually appealing interfaces while ensuring smooth integration with development processes.
- I utilize Figma to craft impressive UI designs. When it comes to coding, I am proficient in utilizing React, HTML/CSS, Tailwind, and Bootstrap to develop responsive websites.

INNOVATION AND INCUBATION CENTRE | GRAPHICS DESIGNER

August 2022 – May 2023 | PDEU, Gandhinagar

- I usually work on making graphical reports and brochure for different events which is Conducted by IIC.

WORKSHOP ON WEB DEVELOPMENT | TUTOR AS FRONT-END DEVELOPMENT

2 Days Workshop | PDEU, Gandhinagar

- In this 2 days workshop conducted in PDEU Organisation, I covered the basics of CSS and Web development, including how to style web pages with CSS, build layouts, and basics of web designs.
